2019 MEMBERSHIP DUES

The Palm Beach Country Estates Landowners' Association, founded in 1980, provides a unified voice for the community when addressing issues that impact the quality of life in Palm Beach Country Estates. The Association is entirely voluntary and run by landowners. The Association has no authority to tell landowners what they can or cannot do. Officers are not compensated in any way for their service.

Your membership in the Association gives you a vote and a voice and the dues help pay the various expenses we incur providing services for the community. **Please see the reverse side of this page for a more detailed list of what the Association does.**

We also appreciate any additional contribution above the standard amount. Please indicate on the form below any additional money you would like to donate. If you want to give specifically to park improvements, there is a separate line to indicate that.

Please fill-out this form and mail it with a check for \$40.00 (or more) payable to the:
