Palm Beach Country Estates
LANDOWNERS ASSN.

2027 COMMUNITY CONTRIBUTION REQUEST

As neighbors, we all share in the welcoming spirit and beautiful spaces that bring us together. Our unique community is completely independent—we have no HOA or POA, and we receive zero outside funding or government grants. Everything that happens here is driven entirely by the voluntary support and dedication of neighbors like you. While a small group consistently steps up to cover our baseline operations, we hope to broaden our support across our 1,500 homes to truly unlock our neighborhood's potential.

Suggested Annual Contribution: $50 (any amount above this is warmly welcomed and deeply appreciated). Your support funds community events, neighborhood beautification, safety initiatives, and future long-term improvements.
